Dear Mr. Stavale:

Thank you for your assistance with the Minor Boundary Modification (MBM) process we are undertaking at the Port. At this time we have selected to use the land which we discussed from your site in the MBM currently being filed. This MBM will remove the land you have designated. Since there is no company on those sites seeking Zone status at this time, the removal will not impact any tenants at the property.

Please review the enclosed letter and place this on your letterhead for inclusion in the MBM currently being assembled. I need this letter back at the end of this week, if possible. Thank you again for your assistance with this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Stanley R. Yon".
